Rodeo President and/or Secretary

4-H and/or FFA Leader/ASU Rodeo Club

Date of Signature

Common Questions

1. Is the program open only to San Luis Valley High School Seniors who meet the scholarship criteria?

No. Those high school students who are at least 16 years of age may also apply who meet the criteria as set by the scholarship committee. They will have to receive a high school diploma or obtain a GED as at later date.

The scholarship will be available at the time the student decides to attend Adams State, at the dollar value at the time they received the scholarship.

San Luis Valley adults who participate (in the rodeo of who volunteer) in the San Luis Valley Ski Hi Stampede are also eligible.

2. If a student graduates in May, 2019, does he/she have to use the scholarship the fall of 2019?

No. A student could go to another University (if a graduating senior) for the 2019 academic year and then decide to go to Adams State University in 2020 or 2021, etc. The scholarship would be honored at the value at the time award was made.

No. If a student was a 16 years old junior, he/she could apply and possibly win. That student could use the scholarship at a later date.

3. What if the student's livestock project died prior to the San Luis Valley Regional Fair?

All 4-H and/or FFA participants will be subject to all rules of the San Luis Valley Fair Board to qualify for the scholarship.

4. I graduated from high school in a year previous to this year's Stampede event. Am I still eligible for the scholarship?

Yes. This scholarship program is open to both "traditional" and "non-traditional" students who want to attend Adams State University. Example: If you graduated from high school in 2003, or 2000, or 1998, or 1987, etc., you can submit an application per the application qualifications. Application must be complete as specified in the application rules.

Yes. If you're over a 50+ stockholder (example only) and want to apply, you can. Again applications must be complete.
